## Information Sheet for Appointment: Hanover County Board, Commission, or Committee

Your interest in wanting to serve Hanover County is greatly appreciated. In order for Board of Supervisors members to understand your qualifications and interests, the following information sheet must be completed. Provide the signed information sheet to your Board member or in one of the following manners: 1) mail to: County Administrator's Office, P.O. Box 470, Hanover, VA 23069; 2) fax to: 804-365-6234; or 3) email to: [ctyadm@hanovercounty.gov](mailto:ctyadm@hanovercounty.gov). Your information sheet will be reviewed by your Board representative. Prior to any appointment, your Board representative will contact you to discuss the recommended appointed role. There is an expectation that at least 75% of meetings will be attended by the appointee. Each appointment is for a specified term and certain positions have term limits. You are welcome to follow up with your respective Board member to check on any upcoming appointments. Your information sheet will be kept on file for four years for future consideration. For some appointments, your Board member may accumulate the information on this sheet, but your signature is still needed to illustrate your commitment. Once appointed, this information sheet is not needed for any future reappointments.
